

## VOLUNTEER OPPORTUNITY

### Help Homeless Families

One - Two- or Three Hour Tasks, Once or Twice a Year

The loss of a home is a crisis for anyone, but especially for families. This is the saddest statistic of all - one out of every four homeless people is a child. The loss of a job, an increase in rent, the onset of sudden illness, the absence of family support - any one of these can drive a family into homelessness.

The Mon Valley YMCA is partnering with local churches through a national program helping homeless families stay together while they work through the system to get back on their feet. But volunteers are needed to make it work.

- Like to help? Check those you may be willing to try:
- Cook a dish or buy a dessert, and deliver it to a local church. (under 1 hour)
- Help host a meal, 5:30PM – 8:00PM. This is a great job. (3 hours)
- Unload cots from a trailer and bring them upstairs on a Sunday, 4:30PM – 5:30PM (1 hour)
- Drive a 14 – passenger van from the Mon Valley to Washington PA and back, experience preferred. (2 hours)
- Knowing you have helped others PRICELESS!
